Background and Job Description:

The PRSP Secretariat underpins the government's institutional mechanism for poverty monitoring. The PRSP Secretariat has been mandated with the overall lead in coordinating, monitoring, evaluating, and tracking the implementation of the PRSP; and reporting progress on anti-poverty public expenditures, intermediate social indicators, and final outcomes. A critical input in achieving the targets set out in the PRSP-II is the effective utilization of anti-poverty public expenditures.

The purpose of the Strengthening PRS Monitoring project is to strengthen institutional capacities for results-based monitoring and evaluation of poverty reduction strategies (PRS) and has the following three outputs:

1. Public spending and allocations in pro-poor sectors analysed reviewed and analysed through a gender lens to better understand the contribution and needs of men and women
2. Quality, collection, analysis and management of PRSP data improved at national and province levels
3. National engagement in PRSP monitoring mobilized through participatory processes

Strengthening PRS Monitoring PMU Balochistan is joint initiative of UNDP and Planning & Development Department Government of Balochistan to support the Government's institutional mechanism for poverty monitoring. The PRSP Cell has been mandated with the overall lead in coordinating, monitoring, evaluating, and tracking the implementation of the PRSP-II; and reporting progress on anti-poverty public expenditures, intermediate social indicators, and final outcomes.

The research associates will be administratively responsible to PPM/PPD SPRSM-Quetta.
